Back Up Your Phone

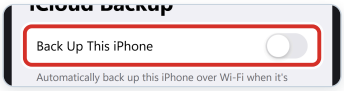

iPhone and Android, step by step.

We Make I.T. Happen!™

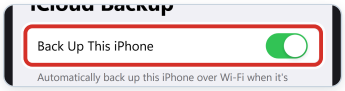

1 iPhone: Open Settings, Your Name

Then tap **iCloud**, then **iCloud Backup**.

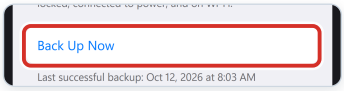

2 iPhone: Switch It On

"Back Up This iPhone" turns on automatic backup.

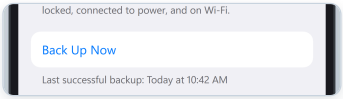

3 iPhone: Tap Back Up Now

For an immediate copy, over Wi-Fi.

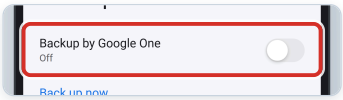

4 iPhone: Check the Date

The last successful backup is shown right below.

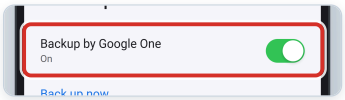

5 Android: Open Settings, Google

Then tap **Backup**.

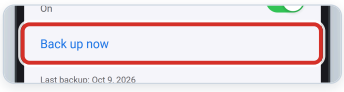

6 Android: Turn It On

"Backup by Google One" turns on automatic backup.

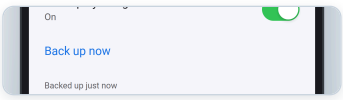

7 Android: Tap Back Up Now

For an immediate manual backup.

8 Android: Check the Date

The last backup date is shown right below.

Good to Know

- Automatic backup needs Wi-Fi, power, and the phone locked; manual backup works anytime.
- Both screens show the date and time of the last successful backup.
- Not sure it's backed up? Call **239-513-1960** and we'll check.
