

Connect to Your TV

HDMI, AirPlay, and casting.

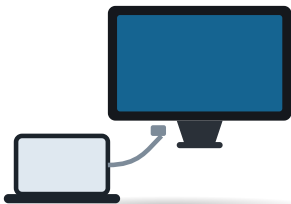

Wireless: AirPlay or Casting

*We Make
I.T.
Happen!™*

1 Plug In an HDMI Cable

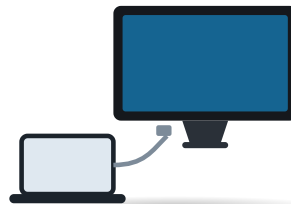

One end to your computer, the other to the TV.

Wired: one HDMI cable

2 Use an Adapter If Needed

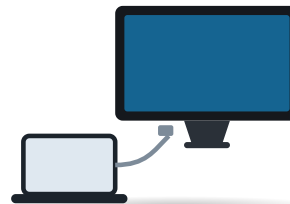

Some laptops need **USB-C or Mini DisplayPort**.

Wired: one HDMI cable

3 Pick the Right Input

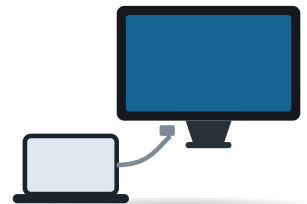

Use the TV remote to **select that HDMI port**.

Wired: one HDMI cable

4 Windows: Press Windows Key + P

Choose **Duplicate, Extend, or Second screen only**.

Wired: one HDMI cable

5 Mac: Open Control Center

Click the icon in the **menu bar**.

Wireless: AirPlay or Casting

6 Mac: Choose Screen Mirroring

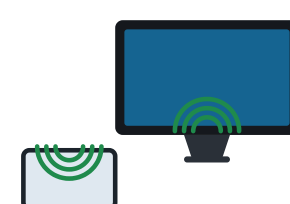

Select **your TV** from the list.

Wireless: AirPlay or Casting

7 Other Devices: Look for Cast

Many apps have their own **Cast button**.

Wireless: AirPlay or Casting

8 Same Wi-Fi Network

Wireless needs your computer and TV **on the same network**.

Wireless: AirPlay or Casting

Good to Know

- No picture? Check that the TV is set to the right input first.
- Streaming apps often have their own Cast icon built in already.
- Still no picture? Call 239-513-1960.
