Co-Managed I.T. Explained

For offices that already have someone handling tech.

We Make I.T. Happen!™

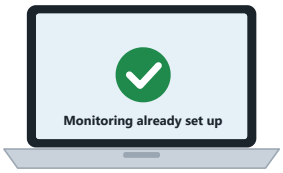

1 Works Alongside Your Team

Your IT person stays in charge, **with backup**.

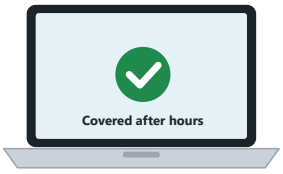

2 Specialized Tools, Already Set Up

No need to buy and learn them **on your own**.

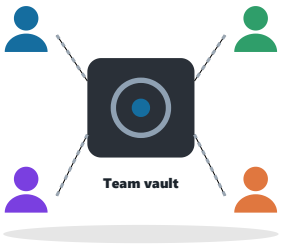

3 After-Hours and Overflow Coverage

Support that **doesn't stop at 5 PM**.

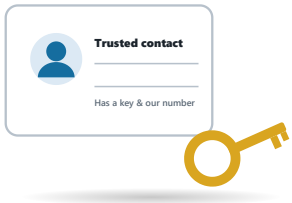

4 A Second Set of Eyes

Projects reviewed **before they roll out**.

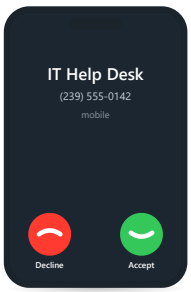

5 Coverage When They're Out

Vacation, sick leave, **or just swamped**.

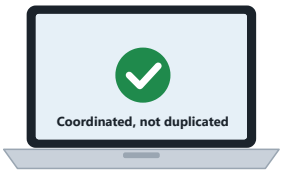

6 One Coordinated Call

Clear on **who's handling what**.

7 No Extra Admin Work

We coordinate with your team, **not around it**.

8 Scales With Your Office

Add more coverage **as you grow**.

Good to Know

- This is a general overview; the right mix of co-managed support depends on your office.
- No prices are quoted here; every setup is scoped individually.
- Have an in-house IT person? Call **239-513-1960**.
